EDITOR'S NOTE :

A TALE OF 3 SONS

A father told his 3 sons when he sent them to the university: "I feel it's my duty to provide you with the best possible education and you do not owe me anything for that. However, I want you to appreciate it. As a token, please each put \$1,000 into my coffin when I die."

And so it happened. His sons became – a doctor, a lawyer and a financial planner – each very successful financially. When their father's time had come and they saw their father in the coffin, they remembered his wish.

First – it was the doctor who put ten \$100 bills onto the chest of their deceased father.

Then – came the financial planner who also put \$1,000 there.

Finally – it was the heartbroken lawyer's turn. He dipped into his pocket – took out his checkbook – wrote a check for \$3,000 – put it into his father's coffin and took the \$2,000 cash. He later went on to become a member of Congress...!!!

LAWYERS CAN MAKE THINGS HAPPEN!

YOUR EDITOR.
